CURRY PAJIC OF PAJIC & PAJIC NAMED FLORIDA TRIAL LAWYER OF THE YEAR

ABOTA, The American Board of Trial Advocates, announced Attorney Curry Pajic as the Trial Lawyer of the Year for the state of Florida. The award was presented at a conference in Orlando on Saturday.

Curry Pajic called it a truly humbling moment. "It is certainly the greatest honor of my legal career. I am proud to be recognized by my peers. These are both colleagues and competitors of mine, who are highly respected."

The award is given for an attorney's cumulative body of work over the past year. Among Pajic's accomplishments in 2018, he was the lead attorney in a trial where his client was awarded a 4.3 million dollar verdict in Duval County. The jury handed down the verdict for a young woman who was critically injured in an accident involving a distracted driver.

Pajic, who served as President of Jacksonville's ABOTA chapter, also wrote multiple letters to the press defending attacks on the judiciary, including Chief Supreme Court Justice John Roberts. Defending the independence of the judiciary is another mission of ABOTA.

Pajic gave thanks for the award to his entire office. "We are a great team and every employee at Pajic & Pajic has an important role in our success." He also credits the mentors he has had over the years. "People on the plaintiff and defense side have helped to teach me not only how to do things, but the right way to do things."
